BOOK #1: Natural Antibiotics: 15 of the Most Powerful Natural Antibiotics That Kills All Infections

Build immunity to modern medicine! The United States government understands how dangerous a potential drug resistant bacterium could be on a population of unprepared people. Infections from medical institutions are one of the highest causes of death, with an estimated 100,000 people dying in the United States annually from disease they caught in a hospital and this number is expected to rise in the future. Don't let that happen to you!

Wondering how to do this? Here's a sneak peak of what's inside. You'll learn:

- The 15 best natural antibiotics available in the United States
- How to create powders, tinctures, and teas that cure bad bacteria
- Natural methods for boosting your immune system
- What to drink so that you can increase your energy and vitality
- How to cure yourself from a poisonous snake or spider bite
- Miracle natural antibiotics that are in your home right now!
