#### **Lucy Broussard:**

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Many author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write with their book. One of them is this National Geographic's Guide to Scenic Highways and Byways.

#### **John Yang:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this National Geographic's Guide to Scenic Highways and Byways can make

you really feel more interested to read.
