Perspectives on Argument (6th Edition) Nancy V. Wood

This combination rhetoric/reader helps readers develop strategies for critical reading, critical thinking, research, and writing that will help the reader argue clearly and convincingly. It teaches them to identify and develop arguments, to read and form reactions and opinions of their own, to analyze an audience, to seek common ground, and to use a wide, realistic range of techniques to write argument papers that express their individual views and original perspectives on modern issues.
