Isia's Secret Ray Stone

Political correspondent Enda Osin and his assistant Jessica Du Ross must stop Paul Hrisacopolis' twisted political dream for Cypriot Sovereignty becoming reality. Paul must hide a secret - Isia's Secret. With an influential position beckoning in the EU, Paul has two problems. There is an heir with hatred in his heart, seeking revenge, and Enda digging into the family's past.

Enda visits Turkey and Cyprus and avoids an attempt on his life as he struggles to unravel Hrisacopolis' dark secret.

Embarking on a cruise carrying Greek artifacts and political allies back to Athens from Britain as part of Paul's political campaign, Enda unfolds the tragic tale of two women living in fear and poverty, and a murderous grandson who threatens to shock Greek and Turkish society. When Enda and Jessica embark on the cruise, they are soon aware they are in deadly danger and must expose an imposter, prevent a murderous conspiracy, and foil a political catastrophe.

From reader reviews:

Marla Mestas:

This Isia's Secret book is simply not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is usually information inside this book incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. That Isia's Secret without we know teach the one who reading it become critical in contemplating and analyzing. Don't become worry Isia's Secret can bring whenever you are and not make your carrier space or bookshelves' become full because you can have it inside your lovely laptop even mobile phone. This Isia's Secret having great arrangement in word and also layout, so you will not really feel uninterested in reading.

Renee Wood:

Here thing why this specific Isia's Secret are different and trusted to be yours. First of all studying a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not. Isia's Secret giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with Isia's Secret. It gives you thrill reading journey, its open up your personal eyes about the thing that will happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park, café, or even in your method home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Isia's Secret in e-book can be your substitute.

Ralph McClure:

This Isia's Secret is great publication for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. That book reveal it data accurately using great manage word or we can state no rambling sentences included. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but difficult core information with splendid delivering sentences. Having Isia's Secret in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no book that offer you world inside ten or fifteen minute right but this reserve already do that. So , it is good reading book. Hello Mr. and Mrs. active do you still doubt which?

Ella Norman:

This Isia's Secret is new way for you who has fascination to look for some information mainly because it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or else you who still having bit of digest in reading this Isia's Secret can be the light food to suit your needs because the information inside this book is easy to get through anyone. These books produce itself in the form and that is reachable by anyone, yeah I mean in the e-book type. People who think that in book form make them feel drowsy even dizzy this guide is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss it! Just read this e-book kind for your better life and also knowledge.
