## **What's Wrong With What's Right -- A Critique of Imam Feisal Rauf's Book: What's Right With Islam** Bill Whitehouse

Imam Feisal Abdul Rauf is at the center of a controversy concerning the proposed community center in Manhattan, New York -- a center known alternatively as: Cordoba House, Park51, and the Ground Zero mosque. Consequently, people -- both Muslims and non-Muslims -- might benefit from a critical examination of his ideas concerning a wide variety of issues. A few years ago, Imam Rauf wrote a book entitled: What's Right With Islam. That work provides a very good medium through which to explore Imam Rauf's perspective in relation to topics such as: 9/11, democracy, Islam, shari'ah, Islamic government, constitutional principles, the Bill of Rights, the wars in Iraq and Afghanistan, as well as the Sufi path. The present book: What's Wrong With What's Right critically analyzes all of these issues.
