Democracy (Problems of Philosophy)

Ross Harrison

Democracy (Problems of Philosophy) Ross Harrison

Democracy surrounds us like the air we breath, and is normally taken very much for granted. Across the world democracy has become accepted as an unquestionably good thing. Yet upon further examination the merits of democracy are both paradoxical and problematic, and the treasured values of liberty and equality can be used to argue both for and against it.

In the historical section of the book, Ross Harrison clearly traces the history of democracy by examining the works of, amongst others, Plato and Aristotle, Hegel and Marx. Informed by facts and detailed knowledge of these famous thinkers, Harrison provides a clear and cogent justification of democracy.
