Promise to Keep is book two in the New York Times bestselling three-book series Promises.

Book One: Promise to Marry

Book Two: Promise to Keep

Book Three: Promise of Forever

I've loved her since we were seven. We were best friends. We even made a pact to marry each other if we were both still single at thirty. I grew up thinking I would always love her for the rest of my life.

But I was proven wrong. Because the first time I made love to her turned out to be the first time I hated her. It became the first time she hurt me, and the first time I wanted nothing to do with her.

Today, nine years after the day that broke us apart, we are both thirty and single, and fate decided to intervene. I finally discovered that the reasons behind her betrayal were far different from the ones I'd created years ago in my mind.

Now I'm torn between my hatred over what she did and my undying love for the one girl who I've held close to my heart for most of my life.

But is the truth enough for me to forgive her?
