As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case.
