If you were asked to read a story about someone who had saved many peoples lives, but was now on trial for his own life. That he had said nothing but the truth but was considered to be a danger to the public and society. Most important is that what he knows could bring about a better life for you, and possibly save your life as well as the lives of others you love. Would you take the time to read his story and be willing to help if you found he was innocent? Then FINAL AUTHORITY is a must read book for you. The total book is packed with facts and evidence for both sides. Yet you are the one who decides if he should be accepted or rejected by society, be believed because his actions speak louder than his words and most importantly, if he should live or die. Here are some interesting facts about his story: - The high court prosecutor has used his influence to bring about a consensus of guilt so politically he will remain in office. - The legal standing of the high court prosecutor has been put in question by his actions and actually has disqualified him from continuing in his role. - The residing Governor is concerned with how or if the people will accept him if he does not bend to the high courts will. - The person on trial knows that his actions among the people have made him popular with them but unpopular with the political and legal establishment. - And to make things even more tenuous for the person on trial, he is constantly being approached by the public and society leaders to demonstrate or explain where he received the knowledge or authority to save peoples lives. - What do you think his chances of being freed are? - This is your chance to find out and even take action that could save your life as well!
