**How the Gods Created the Finger People (Spanish and English Edition)** Elizabeth Moore, Alice Couvillon

When artist Luz-Maria Lopez was growing up in Honduras, her grandmother would tell fantastical bedtime fables about their Mayan ancestors. This story focuses on the creation of the first humans and why it should be that no rich man will enter the gates of heaven unless he treats all who serve him-the finger people-with love and kindness. This fable for young readers is accompanied by colorful Mayan-style illustrations.
