## **Love dragons and magic?**

**"C H MacLean has written a supremely magical story ideal for the younger YA reader, and targeted towards those who love books such as `Harry Potter' or `Eragon' etc." -  
*Lucinda, Amazon review***

**This spellbinding Young Adult fantasy series will plunge you into a world where fantasy and reality collide.**

One is Come is the first installment in a 5-book YA fantasy saga full of hidden plot twists and turns. The centuries-old prophesy of the One is being fulfilled, and the ancient dragon clans are coming out of hiding to remake the world. The king of the magic users will stop at nothing to be sure the prophecy is fulfilled the right way--with his oppressive government ruling. As they struggle for power, Haylwen (14) and her brother Cadarn (16) just happen to be caught dead center.

## **How can you save the world when you don't know it needs saving?**

In this first book, meet fourteen-year-old Haylwen Rightad. She doesn't think "crazy" runs in her family, but she might be wrong. Fish seem to listen when she talks. She finds herself wearing jewelry she can't remember putting on. And then there was the explosion at school...and her ex-principal trying to kidnap her...and her brother? Don't even ask. All she wants is to be an ordinary teenager. Live a normal life. Go to school, make friends, and not have to move a zillion times. Oh, and getting the bullies off her back? That'd be nice, too.

What Haylwen doesn't know is WHY all this crazy stuff is happening to her. But she's about to find out. The bad news? Things aren't going to be "normal" any time soon!

With a mysterious prophesy, magical secrets and more than a few dragons, ONE IS COME is the first book in the adventures of siblings Haylwen and Cadarn as they come to discover they have powers they never dreamt of — and a destiny only they can fulfill.

**It's not easy to be "normal" when nothing is at it seems, and no one is who they appear to be.**

**"C.H. MacLean's One is Come is an engaging and often riveting fantasy novel that mixes the modern with magic.... The book is a page-turner and one that is sure to please both young adults and adults. I recommend it to anyone who enjoys a good fantasy read. MacLean doesn't disappoint." - 5-star review *Readers' Favorite***
