The Chronological Word Truth Life Bible: Behold The Lamb; A Harmony of the Gospels Route 66 Ministries

When it comes to Jesus Christ, there are various presentations of him. There's the Jesus portrayed in books like the Da Vinci Code, the Jesus portrayed in various documentaries on TV, the Jesus portrayed in movies, and the Jesus portrayed in the Gospels. If you had to choose the real Jesus from a line-up, could you do so?

But how can you distinguish the real from the fake? The authentic from the counterfeit? Bankers learn to spot fake currency not by studying counterfeit money, but by studying the real thing. In the same way, the best way to know Jesus is to go directly to the source of truth: The Bible.

This harmony of the Gospels presents Jesus in an engaging and clear way. Harmonies have existed for centuries, but this one is unique in its format and presentation, and transforms words on paper to an encounter with the King of kings and Lord of lords.

Here are just a few benefits of The Word Truth Life Bible:

It's chronological – Events have been placed in the order that they occurred, as far as could be determined.

It's harmonized – Harmonization is one of the main features that makes this Bible unique. It means scriptures that provide the same information are merged into one narrative. Most people are familiar with harmonies of the Gospels, but once this Bible is complete, it will harmonize scripture from Genesis to Revelation.

It's shorter – Because of the harmonization feature, the entire Bible is shorter, but no information is lost. This eliminates the intimidation of reading such a huge book. For example, all four Gospels can be read in half the time it would normally take. **It's uniquely formatted** – For example:

- Chapters and verses have been removed from within the narratives to prevent unnatural breaks in the storyline. However, scripture references are present in the heading of each section for those who prefer them.
- Scripture references are aligned right instead of left; this makes it easier to read the Bible like a novel, as the headings don't interfere with or interrupt the reading flow.
- Tables and bullets are used to break up text, making the information easier to understand.
- Dialogue is formatted as is common in novels, making it easier to follow the speaker.

This publication was born of the desire to provide a Bible that will aid people in reading and understanding all that God has to say, without the hindrances of the traditional Bible format. We invite you to Explore the Word, Embrace the Truth, and Experience Life!
