Is there a Prophetic Calendar we are able to refer to, on which has been posted what's coming up next on the agenda for this world? Has God given us a Day Timer? The Feasts and Festivals the LORD gave to Moses, were not only to be cultural and traditional festivities for Israel, but were, and are, to portray His Prophetic Schedule to all nations. The world has already passed through the prophetic significance of The Spring Feasts, fulfilled in the birth, life, death, resurrection, and ascension of Jesus Christ. But He is yet to fulfill the Fall Convocations. All nations, not just Israel, must face these Scheduled Appointments that are shortly to unfold. The Schedule is clear. The: Appointed Times are set. The author does not re-invent the pre-Trib view of Bible Prophecy, but merely examines it from a seldom considered vantage point, uncovering intriguing details we often have either downplayed or otherwise overlooked, but which now have amazing applicable significance within the current world scene. You will be personally challenged as you read this book.
