The Revelation of Numbers: The Codes 4 666 4, Nelson Rolihlahla Mandela, and the Power of 27

James K.Z.D. Mwamba

In this examination and exploration of the forces of nature represented by numbers, the author analyzes the lives of many influential and powerful individuals, focusing primarily on Nelson Mandela. By reading into the powers that dictate dominance, creation, harmony, and cooperation, readers are able to see how to look for these codes in their own lives, understanding what guides their choices. Using world leaders like Mandela and Barack Obama, along with celebrities like Oprah Winfrey, Bob Marley, and Michael Jackson, data such as dates of birth and important milestones in their careers and world history give a clearer insight into the end results of their decisions. Knowledge of this power will enrich readers' understanding of the universe and how to more closely emulate those that make positive change in the world like Mandela. But this new philosophy could help decipher what inspires true greatness in so few.
