Bestselling author, Shari J. Ryan, brings readers, The Schasm Series Collection. These books take the reader on a mind-bending adventure through mental drifts, fanatical love, and the effervescent landscape of what lies within the mind's eye. This series will make you question the reality of all that is real, which might just make you wonder about the validity of your own existence.

Schasm Book 1: Chloe Valcourt drifts between two worlds: the dark reality of her domineering mother and feeble father and the vivid fantasy of her imagination. With her condition comes the harsh observation of doctors who intend to cure her of it. But a chance encounter with a handsome and vaguely familiar young man in her dream world hints at the possibility of hidden truths—and a life she can't remember. As her drifts become a greater escape from the cruelty of the real world, Chloe finds herself lost between what is real and what is imagined, questioning her very existence. Can she remain in the lush new imagined landscape to find happiness in a realm of her own invention? Is she doomed to return to the harsh reality of the outside world forever? Or will she become trapped somewhere between the two...unable to return to either?

Fissure Free Book 2: Author Shari J Ryan reunites the colorful cast of friends and family in Book 2 of the Schasm Series with a powerful tribute to the power of the mind and heart in this romantic, suspenseful, and engaging novel. After nineteen years of suffering with a psychological condition, ethereal Chloe had finally come close to finding her ultimate escape—or, so she thinks on the vibrant streets of Paris. Finally in a relationship with Alex, a man she fell in love with in Schasm, Chloe thinks life is finally coming together. As she battles her own demons, she attempts to repair the damaged man she's grown to love. But as his clouded past abruptly crashes into their lives and falls heavily upon their budding romance, Chloe must fight to maintain her relationship. Although even when the problems begin to subside, she comes to realize certain things cannot be escaped. Just as Chloe believes she might have sealed the doors of darkness once and for all, new questions, new findings and new inceptions arise. Whether or not Chloe wants to continue forward with the path her life seems to be leading, she quickly learns that any choice she makes will ultimately land her in a place she never knew she was destined to be.

When Fully Fused Book 3: In the third and final book of the Schasm Series, author Shari Ryan takes you on a final journey of the mind. Chloe and Alex together again maintain their composure and romance as they raise their four-year-old son, Sammy. But fairytales are merely stories they read in the nursery at night, for lurking behind each thought is a world out of control like the chaos of a car crash. As life likes to do, everything Chloe firmly believes in twists in the opposite direction. With three paths to choose from she can only choose Left. Right. Or Start Again. All the questions have answers, and the forces of good and evil wage an epic battle solely within the mind, leaving behind the constraints of reality. From time travel to drifts, When Fully Fused is a thrilling ride from start to finish, literally.
