Endless Night (BBC Radio Crimes) Agatha Christie

"Some are born to sweet delight/Some are born to endless night." —William Blake

Agatha Christie wrote *Endless Night* in 1967, and it is one of her greatest—and most unusual—novels. Creepy, malevolent, and claustrophobic, it is a story about choices, the nature of good and evil, and grim retribution. Mike Rogers had a childhood fantasy about what life would be like as an adult: he'd have a beautiful wife, they would live in a beautiful home, and this would be a peaceful and deserved reward for a turbulent early life. When he meets Ellie Gutman at a lovely, remote spot known as Gypsy's Acre, suddenly it is all within his grasp. However, things are not as idyllic as they seem —local legend has it that the land is cursed, and several terrible accidents have occurred there. Mike and Ellie pay no attention to these tales: but when they move into their new home, the curse suddenly seems to come to life and they find themselves in grave danger. . . Starring Jonathan Forbes and Lizzy Watts, this is a menacing drama that perfectly evokes the atmosphere of Agatha Christie's brooding, malevolent tale, infused with passion, hauntings, and grim retribution.
