Long considered the standard of excellence—the best introduction and guide to the practice of family therapy available—this accessible resource explores the rich history and contemporary practice of the entire field. Thorough, thoughtful, fair, and balanced, *Family Therapy* by Michael P. Nichols presents ideas and techniques that give readers a clear focus on clinical practice. While exploring the history, the classic schools, and the latest developments, this new edition puts an increased, pragmatic focus on clinical practice, which includes discussions of the author's observations of actual sessions with leading practitioners, as well as the best case studies of several invited master therapists. Included are video links, interactive chapter quizzes, new case studies, a new section on the impact of the Affordable Care Act, and many more content changes that bring the reader up to date on the latest and most critical issues in the field of family therapy today. The Enhanced Pearson eText features embedded videos and assessments.

Improve mastery and retention with the Enhanced Pearson eText*

This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:

- **Engaging.** The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.

From reader reviews:

Mary Ybarra:

Book is usually written, printed, or outlined for everything. You can know everything you want by a book. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading skill was fluently. A e-book Family Therapy: Concepts and Methods, Enhanced Pearson eText -- Access Card (11th Edition) will make you to always be smarter. You can feel a lot more confidence if you can know about everything. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?

Ronald Smith:

As people who live in the actual modest era should be update about what going on or details even knowledge to make these people keep up with the era which can be always change and progress. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This Family Therapy: Concepts and Methods, Enhanced Pearson eText -- Access Card (11th Edition) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Jeremy Bryant:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The particular Family Therapy: Concepts and Methods, Enhanced Pearson eText -- Access Card (11th Edition) is kind of publication which is giving the reader capricious experience.

Kevin Masterson:

Is it a person who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Family Therapy: Concepts and Methods, Enhanced Pearson eText -- Access Card (11th Edition) can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
