When Knox Wellington opens the door to Charlie Davenport, he's not expecting the fiery brunette with whiskey colored eyes and a feisty personality. Sparks fly immediately, even though their initial meeting is nothing but hostile. Their chemistry is undeniable, but the chip on Knox's shoulder threatens to destroy any hope of him wooing the sweet, southern volunteer sent to help with his rehabilitation. Little does he know she's no Southern Belle, as she gives as good as she can take. As unexpected circumstances push them closer together, heads butt, patience is tested, and flames ignite as they dance around their mutual attraction, both of them jaded from broken pasts. They've both been burned before, so when their feelings of lust, desire, and wanting are inflamed in the heat of the moment, will they finally be able to get over the pain of the past or will their relationship be reduced to ashes before it can ever really begin? *While this book is a standalone, characters from Ignite, book 1, will appear in Knox's story.
