Prepper's Hacks: 35 Outstanding Safety Survival Hacks For Surviving Disaster (Preppers Hacks, Preppers Hacks books, preper survival) Lori Mason

Are you, like millions of other people, drastically concerned about the way things are shaping in the world?

Are you worried of the looming natural disaster, terrorist attack, martial law, grid down situation?

If you are, there's no reason to deny you aren't. In light (or darkness) of the many global and national events that threaten people's security, many individuals and families alike have started taking the necessary steps to preparing for the worst of the worst to happen. That means stocking up on the necessary supplies and putting plans for different scenarios in place...but it also means learning some unique skill sets, or hacks, to surviving. It is these hacks that you are going to learn about in this book, and that you can then translate into viable skills in your own life. Ultimately, it may be these hacks you learn that mean the difference between life and death in a survival scenario. Prepping is a great responsibility that you can take upon yourself for the protection of you and your family. Even if such a survival scenario never happens, the old adage goes that it's never too late to be safe than sorry. So turn to the first page, and begin the learning process!
