My name is Archie Beller, and let me tell you - these California kids are weird. Mom and I had just moved to Kings Cove from Nebraska when all of a sudden, the boys in my new school wanted me to make a choice - a very weird choice. That choice set off a chain of events that I never would have believed in a million years. But all you need to know is this - because of it, a legend was born. The legend of Pirate Ninja. Tales of a Pirate Ninja is a hilarious adventure perfect for children ages 7-12.
