Grown women spanked and caned!

Ben Creighton really enjoys his position as Housemaster at St Boniface's Sixth Form Ladies College where he has the great pleasure of punishing the young women who so frequently misbehave.

In this highly erotic story for over 18s only, he deals with Jennifer Halliday, who is going to discover the highly painful consequences of writing lewd graffiti on the wall. Lateness, rudeness, graffiti, truancy, lies and stealing are always painfully dealt with by Mr Creighton's expertly applied corrective corporal punishments. Jennifer won't be sitting down for the rest of the day after her prolonged spankings followed by the whippy cane. Wow does that cane sting! And Benjamin knows just where on a young lady's bottom to apply the strokes to make them sting the most.

The sixth formers are all over 18, and as grown women they greatly benefit from the hard correctional punishment their Senior Master administers regularly to their bare bottoms. This embarrassing and humiliating aspect is often more of an ordeal for the young women to endure than the excruciating pain of one of Ben's spankings or hard canings. They really dread the exposure of their most private areas – possibly more than the fiercely smarting buttocks they always have when they leave his study.
