I made a mistake and had a taste of something sweet, something forbidden, something highly addictive. My cousin. It's no secret that I'm greedy, and I want more. Now I just have to convince her pretty ass that she does too. Just as things begin to heat up between Elizabeth and her cousin, she pulls away frightened of what it all means and goes off to pursue funding for her new business. Convincing people to make decisions that they wouldn't normally make is Roman's specialty. It's just that he's going to have to find other more creative ways to make this particular target bend to his will. This is the second part of a two part series. The entire series is now complete and available exclusively on Amazon! Genre: New Adult Romance Book 2 - Series POV: Dual Point Of View Disclaimer: All characters in the book are 18+ years of age, non-blood related, and all sexual acts are consensual.
