And it was working - until an accident changed everything. Before he knows it, he finds himself becoming more involved with the family next door, and wishing for things he shouldn't. Things that will put their lives in jeopardy, too.

## Her summer plans didn't include secrets and danger...

Spending summers on Bois Blanc Island was a tradition for author Laura Keane and her young son. Filled with special memories of the husband she'd lost to war, she looked forward to days of reminiscing, playing, and working on her newest novel. She didn't expect this year to be any different - but that was before their sexy neighbor came to her rescue like a knight in shining armor. Will that armor be tarnished when she finds out what he is and why he's living next door?
