Stars of Success: Understanding How Children With Down Syndrome Learn Susan J. Peoples

Stars of Success: Understanding How Children with Down Syndrome Learn is the only text available offering regular classroom and special educators, as well as parents, a succinct identification and discussion of the specific learning needs characteristic of children with Down syndrome and other intellectual disabilities. Approved by the NDSS, the text provides proven and effective instructional techniques for parents and professionals. An understanding of the child's mental processing ability and appropriate instructional design is an imperative prerequisite to the most successful presentation of academic materials. *Stars of Success* is the first book to integrate current research and information regarding the learning needs and processes of educationally challenged children into a single reference. Information contained in this guide affords children with educational challenges an actual opportunity to achieve successful, academic inclusion.
