Stephen B. McCarney

Parents of children with Attention-Deficit/Hyperactivity Disorder are constantly asking teachers what they can do to manage their child's behavior at home and support their child's success at school. The Parent's Guide to Attention Deficit Disorders (408 pages, © 1995) provides logical and useful suggestions for those parents who have been searching for solutions to their child's problems. Using the same format as the most successful intervention manuals Hawthorne has developed for educators, parents now have hundreds of suggestions available to them to help their child who has an Attention-Deficit/Hyperactivity Disorder. The guide is based on behaviors from the Home Version of the Attention Deficit Disorders Evaluation Scale - Third Edition and is easily referenced by the categories of Inattentive and Hyperactive-Impulsive. The Parent's Guide to Attention Deficit Disorders has been expanded to include 144 additional behaviors
