Having happily ever after is never easy when evil lurks nearby. Now that Claudia has her memories back and her life seems to have settled down, the Fallen have come out of hiding. The Fallen coming out of hiding is not a concern, there are those who want to be left alone. However, one particular one, Dantanian, is hungry for revenge. Being one of God's first fallen angels, he is the vilest of his kind. He will do anything to get his way and he will stop at nothing to get Michael on his side. Dantanian will torture, kill for pleasure, and concoct evil schemes to get Michael's attention; and once in his hands, he will try to destroy all the happiness Michael fought so hard to gain. The Venators and the Alkins must work together once again to save their friends. As death draws near to those captured by Dantanian, will the gang reach them in time? Or will Michael return to the dark angel he once was and destroy everyone he loves?
