La marca de la luna. Lila, la niña. El origen (Spanish Edition) Amelia Noguera

En una aldea de la India, la madre de Lila fallece al traerla al mundo. Su abuela Asha se hace cargo de ella y le evita así su cruel suerte: morir por no ser varón. Pero la vieja Neeja, cegada por el odio ancestral de quienes viven en la oscuridad, la maldice: cualquier hombre al que Lila comience a amar morirá. Asha intenta contrarrestar la maldición de su consuegra: la esperanza vendrá de la mano de un extranjero.

La pequeña, con la marca de la luna en el vientre, crecerá aprendiendo los secretos de la magia hasta que, huyendo de la maldición, emprenderá un periplo que la conducirá a Checoslovaquia. Allí, su destino se verá ligado al de algunos de los protagonistas de la Historia reciente de Europa como fueron los integrantes de la Legación española en Praga, centro neurálgico desde donde se movían los hilos de las Diplomacias republicana y rebelde durante la Guerra Civil.

En una insólita combinación de realismo mágico, novela histórica y thriller, esta novela aún una trepidante trama que encaja con precisión en los acontecimientos históricos del primer tercio del siglo XX.

Este ebook contiene solo la primera parte completa de la novela, la que transcurre en la India, y constituye más de un tercio de la obra. Esperamos que la historia de Lila (la niña, el origen), le atrape como a nosotros y a los lectores que ya han hecho suyo a este personaje inolvidable.
