My name is Toga Toni and I am 37 years old. In my life I have been really lucky and I have had and have a huge sexual life. That has helped me in having a lot of experience in sex. I am always experimenting and trying to find new tricks in sex. I never stay stable and i always try to be as best as I can in bed. But at this point I have reached to the highest level in sex and i believe there is nothing above this new secret technique I have discovered. Every single woman I go with tells me that I am, miles away, the greatest lover in the whole world. They tell me that they did not even know that this could happen and they all totally fall in love with me. When they compare me with their previous lovers they laugh. Many of them told me that all women must feel this and all men should take some lessons. This is the reason why i decided to write this book. This secret technique is very difficult to discover but so easy to master it. Remember that size does not matter if you have a great technique. But it does not matter at all, if you have my technique. Even the little ones will feel like GIANTS after reading this book. I can give every woman i go with more than 10 orgasms in just 20 minutes. You can do it too. But also think this: If the ex boyfriend knows my technique, then you would look like an ant to your girlfriend eyes. I would not like this at all. In this book i am going to teach all about sex from kindergarten level to the highest level there is. We are going to start with basic lessons that most of you probably are aware of and have already read in magazines, websites, other books. Anyway it would be good for all of you to make a good review on some really important matters. In the last chapters i am going to teach you the secret technique that i have discovered. With my technique you will be able to give to any woman more than 10 orgasms in just 20 minutes. In the last chapter i am going to teach you some extra techniques that will give you the ticket to the elite of the greatest lovers in the world. At this point i would like to confess to you that i am not too 'gifted' as a man... I am below average both in lengthiness and thickness. Maybe this is the reason why I was always trying to master in sex. I may wanted to hide this little problem. But as you will all see it is not a problem at all because my technique is the best technique in the whole world. I am the greatest lover in the world and all women go crazy with me after sex. They totally fall in love with me. Of course a big penis is good if you have it, but only for psychological purpose. If you do not have the correct technique even 20 inches do not worth. After reading this book you will all be sex experts and all women you go with, will look at you as if you are superman. I salute you new Giants of sex! I am Toga Toni the greatest lover of all time. Join me to the top of the world! Happy reading!
