And Man Created God George Mynchenberg

And MAN CREATED GOD presents the Agnostic view point using science, history and logic while denying all religious belief and faith in revelations from a Creator or God. Reviews And MAN CREATED GOD is vigorous and clearly written. Readers should have no doubt about the position you take, the positions you challenge, and why you find religious beliefs doubtful. It articulates very well what you call the agnostic position. Charles F. Kielkopf, Professor of Philosophy, Ohio State University
