Here is a hot sample of what's inside:

Walter positioned himself on top of me, and began to kiss his way down the terrain of my chest. Starting first at the two peaks of my breasts, slowly working his way down to explore the rest of the territory. When I felt his tongue on my belly button, I grabbed two handfuls of his hair and yanked him back up to eye level.

“I can’t wait. Get inside of me now. Please.” I begged.

He did not disappoint. My hips rose up as my back arched when I first felt him enter my body. His long, sleek body pressed against mine and his hips pushed into me over and over. It had been far too long since I had felt a man’s touch. I came within seconds of feeling his warmth in me.

“Keep going.” I whispered, pulling him back down to me.
