## **Noah's Rainbow: A Father's Emotional Journey from the Death of his Son to the Birth of his Daughter**

David Fleming

From ESPN's David Fleming, a father's memoir on the emotional journey from the death of his son to the birth of his daughter. A deeply moving, rare account of a father's unique perspective on grief: real and raw, but above all, redemptive. Although it opens with the harrowing tale of losing a child, the book is more about hope than death, more about what was learned than what was lost. This is a book all parents should read. But for grieving parents, and fathers in particular, Noah's Rainbow will show that, while the death of a child will change your life forever, it doesn't have to ruin it.
