Eden is a caring and compassionate English teacher as well as a devout Christian living in Louisiana, USA. Her conservative parents constantly compare her to her older sister, Grace, who is an exemplary Christian. Eden feels pressured to get married to her fiancé Adam, who has been unable to find a job. When the two finally settle down she begins to experience the joy of love with Adam, but soon after their honeymoon Eden's life takes an unexpected turn for the worst when she is faced with a devastating reality.

Eden is overwhelmed with the calamity of the new situation and desperately tries to come to terms with what has just happened but the enormity of the problem seems too much for her to bear. Even her strong faith does not seem to assuage her awful feelings.

However, an encounter with an old friend suddenly gives her a ray of hope in the midst of her chaotic life. She is left to make a leap of faith in order to forget her traumatic experience and move on with her life. What she does next opens a new chapter in her life which appears as both a dream come true as well as her worst nightmare. But will she be able to eventually survive the tortuous turns of events in her life?
