The animals of the zoo are waiting for you! This English and Spanish teaching book offers an engaging tour of the zoo, naming creatures great and small along the way. Both outdoor and indoor environments are beautifully depicted and a zoo-wide panorama at the end gives children a chance to name the animals they've encountered. This is a particularly good introduction to a second language, as many of the animal names are similar. A useful pronunciation guide completes the book. Written by Gladys Rosa-Mendoza and illustrated by Andy Elkerton.

This small book is durable and easy for young children to handle. A complete pronunciation guide is included in the back of the book.
