State of the Union

Douglas Kennedy

State of the Union Douglas Kennedy
#1 International Bestseller

“Kennedy is such a nimble storyteller... the pages fly.”—*Entertainment Weekly*

From the *New York Times* bestselling author of *Leaving the World* comes the compelling story of a woman whose one choice, made decades ago, comes back to haunt her.

America in the 1960s was an era of radical upheaval—of civil rights protests and anti-war marches; of sexual liberation and hallucinogenic drugs. More tellingly, it was a time when you weren't supposed to trust anyone over the age of thirty; when, if you were young, you rebelled against your parents and their conservative values.

But not Hannah Buchan.

Hannah is a great disappointment to her famous radical father and painter mother. Instead of mounting the barricades and embracing this age of profound social change, she wants nothing more than to marry her doctor boyfriend and raise a family in a small town.

Hannah gets her wish. But once installed as the doctor's wife in a nowhere corner of Maine, boredom sets in... until an unforeseen moment of personal rebellion changes everything. Especially as Hannah is forced into breaking the law.

For decades, this one transgression in an otherwise faultless life remains buried. But then, in the charged atmosphere of America after 9/11, her secret comes out and her life goes into freefall.

The actual book State of the Union has a lot details on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. The author makes some research before write this book. That book very easy to read you can obtain the point easily after scanning this book.

Debera Jessie:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this State of the Union can make you truly feel more interested to read.
