**Black Awakening Bundle #1 - Annie, Becki, Chloe (First Time BMWW Interracial Erotica)** Maisie Ruckus

This **14,600 word count bundle** contains the stories of three white college girls and the determined black men who want to give them their 'Black Awakening.'

## Annie's Black Awakening (Reluctant First Time Interracial BMWW Erotica)

Everyone's told Annie that she's got the face of a movie star, and that she'll go far in Hollywood as long as she doesn't get stuck popping out brats in the podunk town she's lived in all her life. When she answers a newspaper ad about modeling headshots, she thinks it's her first step on the path towards the lifestyle of the rich and famous.

But **naive and innocent Annie signs a contract** without reading the fine print, and **owes money** she doesn't have, leaving the **big black photographer determined to get his money** somehow. With her celebrity dreams on the line, Annie has to decide: pay up with all that she's got left or risk never seeing her name in the lights.

Will this budding starlet's casting couch come early?

## Becki's Black Awakening (Taboo First Time BMWW Interracial Man of His House Erotica)

Becki's always hated extended household reunions, but never more so than this one. She's tired of the same old question being asked at every one: why doesn't she have a boyfriend? Well, blame it on former **thug** Marcus. Innocent Becki's had **forbidden thoughts** about the dominant **dark skinned man of his house** for years. She's glad that his time away in the military didn't change his cockiness and swagger, but seeing him again leaves her **desperate and dripping**.

Used to being the butt of every 'white chick' joke at the reunions, this time she's pushed over the edge and humiliated when she's not even allowed to sit at the big table. Mad and **frustrated**, Becki sneaks off to the boathouse for a smoke and some stress relief. She didn't think the day could get any worse--until Marcus **finds her in a compromising position**.

Marcus is used to getting what he wants, and what he wants now is a piece of Becki, **big, hard and unprotected**. Will they be found out and ruin the reunion? Or will Becki finally experience her 'Black Awakening?'

Chloe's Black Awakening First Time BMW Older Man Younger Woman Interracial Erotica

When **college good girl** Chloe's ears nearly burst into flame after overhearing a classmate mention "**alone time**" **with her pillow**, a naughty seed gets planted into Chloe's innocent mind. At home one afternoon her **faith is tested when need wins out** and she decides to have a little "alone time" of her own. Too caught up in overwhelming feelings, she doesn't hear her next door neighbor, Omar, let himself in to deliver a package. A **strong, religious black man**, Omar is drawn to Chloe's simmering sensuality and wants to **personally lay hands on** this tempting white coed.

For innocent Chloe, a misdelivered package isn't the only kind of package she's about to receive.
