Man In The Middle

John Illig

Man In The Middle John Illig

Influenced by the prose of Bukowski and Hemingway (with a smattering of Kerouac, along with unbridled adoration of Cormac McCarthy), Illig is a former journalist and natural storyteller who writes with a strong voice in a conversational, lyrical style: "*Light on his feet, writes with tripping prose,*" says author John Hanson Mitchell. He will have you flying down the trail, laughing as you go, eager to turn the next page to peek over the next mountaintop and around the bend. Read MAN IN THE MIDDLE alone, or as Book III, the finale, in the 8,000-mile AT-PCT-CDT through-hiking trilogy that is: Trail Ways, Path Wise (AT); Pacific Dream (PCT); and Man in the Middle (CDT). Discover the nuances of America's three marquee hiking trails. This trilogy is as much self-reflection and journey into maturity as it is a pondering of mountains.
