With a throb inside her panties, she read the text message:

"Good evening, Rachel. Tonight, we're going to play a game."

Tonight was supposed to be different.

After weeks of playing wildly erotic games with her handsome lover, **Simon**, wild housewife **Rachel** had decided that tonight - the night of the big Christmas party - was going to be all about her husband, **Mike**.

But no sooner had she and Mike arrived at the fancy banquet hall, at a party attended by hundreds of his Air Force coworkers, than Rachel's phone began to buzz. With trembling fingers, she read the messages - in which Simon laid out the rules of a new and thrilling game.

Unable to refuse her dominant lover, Rachel embarks on her wildest and most outrageous sexual exploit to date - all right beneath her husband's nose. Her challenge? To complete a 'Royal Flush' - by seducing five specific officers of five specific ranks, one-after-the-other.

Struggling to keep Mike none-the-wiser, and under the prying eyes of her friends, coworkers and neighbors, Rachel uses her seductive wiles and delicious body to complete the challenge - on her knees, on her back, and always with the threat of discovery looming overhead.

A thrilling full-length novella, *Rachel's Royal Flush* is the military-themed tale of a cheating wife, risky public infidelity, interracial and bisexual encounters, and the hot, wet, dripping risk of impregnation. Enjoy!
