I'VE BEEN HIDING FROM THE OUTLAW I LOVE...

Lucy

The dirty little secret we left buried outside Jethrow was supposed to stay buried... I ran away, just like he told me to. A new name, a new town. I lived a sheltered life far from the club and farther still from the man who owned my innocence...

I never expected him to find me again, but when I came across the motorcycle accident just outside Baddock, I knew my quiet little life was over... Until he asked me what my name was.

LANDON

I barely remember my own name, but I know I'm not a *good* man...

Scars on my knuckles, tattoos of skulls and dragons running down my arms, the twisted wreck of my motorcycle or the patches ripped from my leather cut...

No...

I'm a bad man.

I'm the kind of man a girl like Lucy should be running away from... But she isn't running. I feel something for this girl. She's taken me in. She's helping me heal. With my memory returning piece by piece, I know this girl just wants to save me from myself.

But I want more... And I won't stop until I *possess* her.

Saving Landon is a standalone romance novel with a HEA and no cliffhangers!
