Seeking St. Louis: Voices from a River City, 1670-2000

Seeking St. Louis: Voices from a River City, 1670-2000

Complementing the new permanent exhibition at the Missouri Historical Society, this anthology gathers over three centuries of writings on St. Louis by 100 individuals who have been inspired to describe the physical and cultural essence of this region.

The volume contains excerpted selections from all genres—travel diaries, poetry, fiction, journalism, drama, and rare out-of-print and previously unpublished archival material—including poems by Angus Umphrville, from the first volume of verse published west of the Mississippi, and newspaper articles by Theodore Dreiser when he was a beat reporter for the *St. Louis Globe-Democrat*. Other compelling excerpts were authored by such notables as Auguste Chouteau, Charles Dickens, William Wells Brown, William T. Sherman, Sara Teasdale, T. S. Eliot, Tennessee Williams, Fanny Hurst, William S. Burroughs, Miles Davis, Nzotake Shange, John Lutz, Carl Phillips, and Quincy Troupe. A biographical introduction precedes each entry to place the author and the excerpt in the proper historical context.

The content of *Seeking St. Louis* was enriched by the involvement of several of the St. Louis area's foremost literary experts—Robert Boyd, Jan Garden Castro, Gerald Early, Wayne Fields, and Karen Goering—who served as contributing editors.
