The New Paradigm - A Spiritual Scientific Cosmology: Utilizing Twelve Fundamental Archetype at Base of the Laws of Physics Sharon Miller

People worldwide are questioning the materialistic, mechanistic scientific paradigm that has been the dominant cosmology for the past one hundred years or so. The purpose of The New Paradigm is to provide a philosophical foundation for a spiritual cosmology that can incorporate both modern science and ancient wisdom. This is a paradigm that many have hoped would arise to usher in the predicted New Age of elevated spiritual awareness and understanding. The New Paradigm offers insights into the nature of people and their relationship to the one universal Spirit they have called God. This philosophical treatise makes a strong case to the effect that people are created from the substance of Spirit and hence are powerful spiritual beings who have forgotten their true nature and origin.
