**History in Crisis? Recent Directions in Historiography (2nd Edition)** Norman J. Wilson

This book explores the possibilities remaining for historical study in the face of the current trends, including postcolonialism, postmodernism, and deconstruction, among others. The volume examines key topics such as what was history and what is history? The problems of historical knowledge: historicism, presentism, and the writing of history, cross-pollination, varieties of history, historical actors, post modernist (re)visions, post-colonialism and the scope of history, as well as the future of history. For those interested in the study of history as well as those interested in the influence of recent political trends.
