## Science vs. Bible vs. Quran (10) the Spider Ibrahim Khalil

One of the dogmas of humankind is that the Quran is quoted or borrowed from the Bible. This creed is established upon studies of articles of many prejudiced intellectual scholars

this is the tenth book in the series Science vs. Bible vs. Quran

In this series of books (1-10), it is obvious that:

- 1) The Bible contradicts the Sciences in many aspects.
- 2) The Quran preceded the sciences in many aspects.
- 3) The Quran is quite different from the Bible in respect to the meanings of the verses that talk about a specific topic.

In the present topic of the Spider, the smart reader will answer easily this fake dogmatic question: Is the Quran quoted from the Bible?

The Quran says,

The female spider is the one mainly undertaking the building of the house,

The spider's house, from the physical and spiritual point of view, is the weakest house of all and

The weakness is in the spider's house and not the threads

Now, the smart reader can easily answer this dogmatic question:

Is the Quran quoted from the Bible?

Is the Quran which says the above is quoted or borrowed from the Bible which says?

Four things on earth are smallest on the Earth, Ants, Conies, locusts and a spider,

Locusts have no king,

The spider is found in kings' palaces and

Whoever eats the eggs of vipers will die.

I will leave the smart reader to answer that dogmatic question.

In this book, you will read about:

The spider in the Bible

Proverbs 30:25-30

The Ants, Conies, locusts and lizard are the four smallest things

The Ants, Conies, locusts and spider are the four smallest things

Job 8:13-18

The hope of a hypocrite shall perish

His trust shall be as a web of spiders

His roots are wrapped about the stone

Neither a period nor a comma will disappear from the Bible

Even the smallest part of a letter in the Bible cannot be changed

Jesus said: "my words will never disappear"

Unfortunately, they disappeared

Jesus said: "my words will last forever"

Unfortunately, they disappeared

Add and Remove words from the Bible

Ibrahim's theory to discover the corruption of the Bible

Ibrahim's theory, the easiest way to realize the distortion of the Bible

Ibrahim's theory, prove the Bible's falsification in one hour!

The First example of Fabrication of the Word of God

Isaiah 59:1-8

Bible: Whoso is eating serpents' eggs shall die; Science: This is inaccurate

Bible: Anyone is eating viper's eggs shall die; Science: This is wrong

Bible: Whoso is eating snake's eggs shall die; Science: This is erroneous

The Bible describes the Israelites in 21 statements

The Second example of Fabrication of the Word of God

The verse Job 8:14

The words that are mentioned in the original Hebrew text

The third example of Fabrication of the Word of God

The verse Proverbs 30:28

The words that are mentioned in the original Hebrew text

Which Bible's version is the Word of God?

How many times Spider is mentioned in the Bible?

How many times Lizard is mentioned in the Bible?

How many times the word "King" is mentioned in the Bible?

The spider In the Quran

Chapter 29 of Quran is named "Al-Ankaboot" which means the spider

The female spider is the one mainly undertaking the building of the house

The spider's house is the weakest house of all

The spider's house is deprived of all love and kindness

The likeness of nonbelievers is as the likeness of the spider

The spider's web does not protect the spider from heat or cold

Allah is the Mighty in His kingdom

Allah is the Wise in what He does

Allah decreed that none should be worshipped except Him

Humankind build their hopes like the spider's web

As for these similitudes, Allah coin the nonbelievers

None will grasp their meaning save the wise people

The Weakness of the Powerful
