The bayou where Echo Branson finally found a home has been swept away, and the survivors need her help.

Echo and her friends expect to wield shovels, not their powers, to resurrect their one place of safety. But something other than their home has been uprooted by the hurricane. It's looking for prey, starting with Echo's friends.

Fighting to survive under the onslaught of supernatural evil, Echo and her friends face their greatest threat with their powers and lives balanced against an implacable force. It comes first for Melika, and the battle is on.

When an Echo Comes Back is the second in popular author Linda Kay Silva's electrifying new paranormal series featuring empath Echo Branson.
