From three-time UTOPIA Award-winning author Cambria Hebert Watch out, girls. Here she comes.

Watch out, girls. Here she comes.

There's always *that* girl. She's popular, beautiful, and has everything together. The one with the perfectly teased hair, arms full of colorful (but coordinated) bangles, and expertly painted bright-pink lips.

A teacher's pet. Daddy's girl.

Everyone loves her.

Because everyone is afraid to challenge her.

Kelly Ross is that girl. She uses her powers of popularity for good... her own good. She doesn't care who she hurts.

She always gets what she wants.

Including your man.

When she walks down the hallway in her hot-pink heels and ruffled denim miniskirt, all the boys' heads turn. And all the girls start whispering.

Maneater.

There hasn't been a single guy Kelly hasn't been able to chew up and spit out.

Until now.

Kelly has finally met her match. He's been there all along, and he's the exact opposite of everything you'd expect.

Before the internet...before sext messages, selfies, like buttons, and d**k picks...epic loves and broken hearts played out offline, on mixtapes that became the self-made soundtracks of a generation.
