Salsa is a fresh Mexican food, with an application that varies from topping to relish to sauce, depending on the end use chosen. While the basis of many salsas is tomatoes, salsa can be made using any vegetable or fruit combination prepared in traditional salsa style. And even though most salsas are raw, a number are also cooked and it is these latter varieties that keep longer than their fresh counterpart. From a health perspective, most salsas are a very healthy addition to your diet, so tucking into them is encouraged.

Salsa texture and flavor can vary widely and you'll need to base your decision on which texture or flavor to make dependent on your own tastes and needs. Salsa can be raw or cooked, chopped finely or chunky, blended smooth, mild or fiery hot, smooth or spicy or fruity. This article provides a few variants to help you begin your culinary exploration of the world of salsas.

"Make salsa for every occasion and every palate. Harvest the fresh ingredients from your garden or the season from your grocer. You get recipes for your every imaginable combination of ingredients. There's sure be something for everyone"... You will also get the step by step instruction on canning your beautiful bountiful creations! You will also receive free customizable fully printable label templates so that you can personalize your jars for gift giving.
