The fear of abandonment typically results in a person unintentionally engaging in behaviors that push other people away, thus leading to their worst fear..... that of being abandoned. Then being abandoned causes the person to fear it even more in the future. There enlies the problem of this type of fear being a self-perpetuating downward spiral that can only get worse and worse – unless..... You decide to do something about it. Of course it's recommended to work with a therapist to resolve and diminish your fears, but that's not all you can do. Through a little effort, you may be able to work through these issues on your own. This ebook is meant to help serve you as a self-help guide to working through the fear of abandonment, so that you may finally be able to build flourishing and healthy relationships without panicking about what may or may not happen in the future. Let's get started!

Here Is A Preview Of What You'll Learn...

- Building Healthier Relationships
- Getting Back to Where it All Began
- Finding Yourself and Becoming Self-Sufficient
