From the outside, Shane McBride appeared to have the ideal life; he married his high school sweetheart, served time in the military, and then used that knowledge to become a Texas Ranger. That was until the day his wife was in a car accident and passed away. Shane's whole world came tumbling down, leaving him grieving and torn.

Jasmine St. Clair was the baby sister of Shane's best friend and partner, Benjamin. Shane had been around Jasmine for longer than she could remember. His bond with Benjamin ran deep and the two were very close. So when Benjamin sends his little sister to check on his grieving pal, he doesn't think anything is amiss.

It's the one year anniversary of Shane's wife's passing. Trying to forget his sorrows, Shane is drinking to blur the memories of his wrecked life. The last thing he was expecting was for Jasmine to walk through those bar doors. But she did, and she wasn't going anywhere without him.

Jasmine had always had feeling for Shane McBride. She respected his marriage and nothing but friendship was between the two. But Jasmine knows firsthand that Shane's marriage wasn't all roses. Trying to console him, she takes him home where things escalate to fast and too quickly. Running away from things she would rather not acknowledge, Jasmine leaves Texas and goes back home to Denver.

Fate brings the two together again, and it is one bumpy road to love. Overcoming things like broken family relationships, or dealing with race and interracial marriage are also big issues. Not to mention the relationship between Shane and his partner Benjamin. Add in a little stalker action and you've got a heart wrenching story that will have you in tears more than once.
