**1-2-3 Dinosaurs Bite: A Prehistoric Counting Book** American Museum of Natural History

Gobble, gobble, munch, and crunch: watch the pages disappear! Five hungry dinosaurs--from mighty little *Microraptor* to colorful *Carnotaurus*--sink their teeth into this tasty novelty book, created with the American Museum of Natural History and Caldecott-honor winner Steve Jenkins. Kids can count along as the dinosaurs take bite-sized chunks out of each page. The number of bites matches the counting number on each spread! Fun facts about the dinosaurs--and what they liked to eat--appear at the end, along with a listing of dinosaur details from 1-10.
