Branches of Life/A Change in My Season: My Life in Verse Khrystil G Black

"Branches of Life/A Change in My Season" is a book sharing various seasons in the life of a woman through verse. This compilation was birthed during some difficult and great times, in which God began to reveal Himself to me in a greater way. During these times He showed me that He, Himself, was healing me of pain—from others, as well pain I had inflicted upon myself. He was there all along leading and guiding me on the path He predestined for my life—that is, if I would be open to listen and be obedient to His promptings. I lost many things and no one could have prepared me for these times, except Jesus! In the midst of all that transpired, I re-gained a new sense of self, renewed worth and strength, but most of all, a greater love relationship with Jesus! It is sweeter than I'd ever imagined. Nothing can compare to what I have with Him now!
