Wizard Defiant (Intergalactic Wizard Scout Chronicles Book 1) Rodney Hartman

Wizard scouts are the elite, deep-recon forces of the Intergalactic Empire. They are a mix of technology and magic like abilities.

Richard has been given a once-in-a-lifetime opportunity to become one of these legendary soldiers. All he has to do is make it through the Wizard Scout Academy. But with a TAC officer who hates his guts, will he even be allowed to graduate. To make matters worse, the Empire has been attacked and soon finds itself in a major war. With heavy losses in the wizard scout corps, even the Academy cadets are starting to look good to the Empire's High Command.

Just when Richard thinks things can't get any worse, he is suddenly sent by 'the One' to help a beautiful elf priestess fight a demon and its army of undead. Wizard scouts may be the best of the best, but Richard is still a cadet in training. Will his skills and technology be enough to overcome dragons, demons, trolls, ghouls, and various undead from his worst nightmare? With only the aid of his battle computer, Nickelo, and the magic of an elf priestess, will his wizard scout abilities be enough to turn the tide?

With the fate of two galaxies riding in the balance, Richard is honor bound to do his best in spite of the odds. The question is, will his best be good enough?
